

DECLARATION WITH POWER**Attorney's Docket No.:0691-074**

I, the undersigned inventor hereby declare that my residence, post office address, and my citizenship are correctly stated below following my signature; that to the best of my knowledge I am the first, original and joint inventor of the invention described and claimed in the application for United States Letters Patent, having the title Solid peptide preparations for inhalation and their preparation, the description of which was filed in the United States Patent and Trademark Office on August 31, 2001, and I state that I reviewed and understand the contents of the specification and claims and recognize my obligation pursuant to 37 C.F.R. 1.56 to disclose all information that is material to the patentability of this patent application. I hereby state that I authorized the filing of this application. I understand this English language form.

I hereby claim the benefit of priority under 35 U.S.C. 119 of German patent application No. 100 43 509.2, filed on September 1, 2000, a certified copy of which was filed with this application.

I hereby appoint Gabriel P. Katona, Reg. No. 20,829; Thomas L. Creel, Reg. No. 22,840; Frederick H. Rein, Reg. No. 39,813; Brian L. Wamsley, Reg. No. 33,045; Keith A. Zullo, Reg. No. 37,975; and Richard I. Samuel, Reg. No. 24,435, all of the firm of Goodwin Procter L.L.P., to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected therewith, and I hereby request that all correspondence herein be directed to Gabriel P. Katona, Goodwin Procter L.L.P., 599 Lexington Avenue, 40th floor, New York 10022; telephone No. (212) 813-8835.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
